

**Tuesday October 22nd**

Hello Bluejays!

Pledge:

Please stand and join me for the Pledge of Allegiance. I pledge allegiance to the flag of the United States of America, and to the republic for which it stands; one nation under God, indivisible, with liberty and justice for all.

Moment of Silence:

As we begin another day, let us pause for a minute of silence to reflect, meditate, pray, or engage in any other silent activity.

Students and Teachers:

Did you know that after 10 unauthorized absences in any class you run the risk of losing credit in that class for this semester. It is not too late to get back on track so you can get all the credits you deserve.

Students as a reminder, blankets are not to be worn as a clothing article.

The library staff would like to remind you of a few of the library rules and guidelines. The library is not a place to hang out and play around. The library is a quiet zone where you are expected to behave respectfully and responsibly. If you choose to come to the library you must be quietly reading or working on a class assignment. Also, only bottled water is allowed in the library. Please do not bring food or other beverages into the library. If you fail to follow these guidelines you will be asked to leave. Please remember to be respectful of your peers who genuinely depend on the library to be the one place in the building where they can be guaranteed a quiet place to be. Thank you for your cooperation.(10/22)
